

## ADVISORY COMMITTEE

The Advisory Committee is responsible for studying neighborhood concerns and issues that might arise from time to time. We have eight separate subdivisions within our HOA:

New Savannah

Matthews Ridge

Millers Trace

Mill Creek

McIntosh Landing

Madison Square

Hunters Point

Old Mill Bluff

We would like to have a representative from each neighborhood form the core group of the Advisory Committee. Each committee member will be aware of concerns within their particular neighborhood, as well as concerns within our HOA.

A Board Member will be assigned to help create a recommended plan of action to guide committee members; they will report the Committee's recommendations to the Board for consideration.

From time to time there may be Sub Committees formed to research and advise the Board concerning specific issues.

Involvement is a wonderful way to become more familiar with the overall operation of your Board and Management within the directives of our recorded By-Laws and Covenants. It is also a good way to get to know your neighbors as you share ideas on how to improve Community Living within our HOA.

If you are interested in serving your Community in this way, we invite you to please contact your Board of Directors through our website and let them know you want to serve.
