IN DIA. MUST BE CUT
INTO 8-FT LENGTHS.

Cumberland Services is NOT responsible to collect yard debris generated by a landscape/tree contractor or commercial lawn maintenance contractor working at resident's property. Cumberland Services is only responsible to pick-up yard debris generated by resident.

YARD WASTE refers to grass, weeds, leaves, tree and shrubbery pruning, and other similar materials generated in the maintenance of lawns and gardens which are separated from other solid waste.

DOES NOT include construction debris, concrete, tree stumps, batteries, liquids, pesticides/chemicals, liquid paint, helium/propane/gas tanks, motor oil/filters and other vehicle related parts, or hazardous materials.

Community yard waste pickup areas are allowed if approved by City of St. Marys and Cumberland Services.
